

Vista Del Lago High School

Raven Regiment Packet

Welcome to the Raven Regiment!

We are so excited that you have chosen to join us for the 2018 Fall Season. All hyperbole aside, this season has the potential to be the most spectacular in Vista Del Lago High School's history. This year, we have cultivated a high caliber instructional staff with university-level music training, drum corps experience, numerous successful seasons with other high school programs, and experience as professional performers. Our students are already showing huge improvements with the additional help of these instructors.

Also, our field show this year boasts custom music designed to the strengths of the program, custom drill created for us by a DCI show designer, and will feature a true color guard uniform for the first time in years. Our logo was redesigned this summer, and we received new instruments and expect to receive new electronic sound equipment soon, all thanks to MVUSD district support and funding. We also had new warm-up uniforms created to give us the sleek, professional, proud look we have always wanted. With all this as a foundation, we are ready to take the field and truly show off everything our program is made of!

In this packet you will find all of the order forms for the required materials for participating in this activity. While it may seem like a lot at first, keep in mind that all efforts were made to limit the cost per person. Shoes, warm-ups, and other apparel usually last at least two seasons, so after the initial purchase you will only need to replace them if they are worn out or too small. Our Fair Share Contribution is determined by what our Booster Club is capable of fundraising, and helps to cover costs of running the program. Many of the sports teams on campus, and even other band programs in our district, require their members to pay more than double our Fair Share, so please take a moment to thank our Booster Club members whenever you see them at our performances!

Onward!

Mr. Cory Peters

Director of Instrumental Music

What Do I Need to Order?

This year, we are introducing the Warm-Up Uniform for traveling, practicing, and performing in uniform whenever we are not in full Class A Uniform. Everyone in the program will need to purchase the Warm-Up package. This includes:

- Full Zip Performance Jackel
- Tricot Pants with Zipper Leg
- Performance Short Sleeve Shirt*
- Performance Shorts

*Color Guard should purchase a Racerback Tank instead of the Shirt, although Color Guard may purchase the Shirt as well if they wish to.

On the attached order form, there is also a pullover Hooded Sweatshirt that can be worn as an optional “Spirit Gear” by both students and parents. This is not required, but students and parents are encouraged to consider including in the purchase, as a percentage of each Hooded Sweatshirt purchased is donated back to the band program!

Dinkles Shoes and Gloves

Returning members should already have a pair of Dinkles Shoes from last season. Freshmen and returning members who need to replace their pair will need to order a pair of Dinkles Shoes. Please see the attached sheet for more information on sizing.

For a more polished look, we are also requiring all students to get a pair of long wristed white gloves. For woodwind players, we recommend that students order a pair of fingerless gloves in order to play their instruments more easily. It is recommended that you purchase at least two (2) pairs, as white gloves will quickly get dirty and it would be a good idea to only use them for performances to help them remain in good condition.

For everything ordered through Dinkles, the prices listed below reflect the price if we submit all of the orders all at once through our Boosters. You may order direct from Dinkles, but it will be more expensive than just filling out the attached form and turning it in to the “Raven Box” in the Band Room.

Warm-Up Uniform

- Required:**
- 1 Full Zip Jacket**
 - 1 Tricot Pants with Zipper Leg**
 - 1 Performance Short Sleeve Shirt *Color Guard: Racerback Tank***
 - 1 Performance Shorts**

Optional: Pullover Hooded Sweatshirt (recommended)
Extra jacket, pants, shirt and/or shorts (recommended)

Clothing Sizes are standard sizes, so order the same size that you would purchase at your preferred clothing stores. All orders are processed by the Boosters, so please fill out the attached form with your preferences and include cash or a check addressed to to "VLHS Band and Color Guard Boosters" with this form.

Vista Del Lago High School Raven Regiment

Fair Share Contribution

In the Vista Del Lago High School Band, Orchestra & Color Guard Program, we believe in the power of music education and the arts. Its influence on the character, mind, and spirit of the individual, delivers more than just a high school experience, but contributes to the legacy of the student as a lifelong patron of the arts: one who values and appreciates the level of creative discipline required to create and share various art forms. It is our hope that our graduates will continue to cultivate their love for the arts and share their talents with others.

Our approach to the music-making process is founded in the belief that in order to maximize the musical experience, the performance of our music must be of the highest caliber. Striving toward this standard is asked of all Band, Orchestra & Color Guard members.

The Vista Del Lago High School Band, Orchestra & Color Guard Program receives some funding from the Moreno Valley Unified School District, but these funds do not cover everything that is required for our program to operate properly. Your donation will be used to cover all program expenses including band camp, transportation to and from performance venues, uniforms and repairs/replacement of uniforms, instruments and instrument repairs, equipment loans, staffing, music, choreography, performance props for tournament shows, charting, trailer maintenance and insurance, and other service needs. Every attempt is made to limit additional expenses.

Our projected budget for this year is approximately \$25,850. With our fundraising activities planned this year, we have determined that a \$100 contribution is required of each member of the Raven Regiment. We have three recommended schedules for paying this amount:

1. 1 payment of \$100
2. 2 monthly payments of \$50
3. 4 monthly payments of \$25

We would like to thank you in advance for contributing to your student's participation in our Band and Color Guard program. We would also like to remind your that the VLHS Band and Color Guard Boosters is a registered non-profit charity, so this Fair Share Contribution is tax deductible! If your family has financial difficulties that make it difficult to pay this amount, please contact Mr. Peters at cpeters@mvusd.net and we will work out an alternative payment schedule.

Thank you for your support!

Mr. Cory Peters

En el programa de banda y guardia de color de la preparatoria Vista Del Lago, creemos en el poder de la educación musical y las artes. Su influencia en el carácter, la mente y el espíritu del individuo brinda más que solo una experiencia en la escuela secundaria, pero contribuye al legado del estudiante como un mecenas de las artes durante toda la vida; alguien que valora y aprecia el nivel de disciplina creativa requerida para crear y compartir diversas formas de arte. Esperamos que nuestros graduados continúen cultivando su amor por las artes y compartan sus talentos con los demás.

Nuestro enfoque para el proceso de creación musical se basa en la creencia de que, para maximizar la experiencia musical, el rendimiento de la música debe ser del más alto calibre. El esfuerzo hacia este estándar se le pide a todos los miembros de Band, Orchestra y Color Guard. La Banda, la Orquesta y la Guardia Nacional de Vista Del Lago High School reciben algunos fondos del Distrito Escolar Unificado de Moreno Valley, pero estos fondos no cubren todo lo que se requiere para que nuestro programa funcione correctamente. Su donación se usará para cubrir todos los gastos del programa, incluido el campamento de la banda, transporte hacia y desde recintos, uniformes y reparaciones / reemplazo de uniformes, instrumentos y reparaciones de instrumentos, préstamos de equipos, personal, música, coreografía, accesorios de rendimiento para torneos, gráficos, mantenimiento y seguro de remolques y otras necesidades de servicio. Se hace todo lo posible para limitar los gastos adicionales.

Nuestro presupuesto proyectado para este año es de aproximadamente \$ 25,850. Con nuestras actividades de recaudación de fondos planificadas este año, hemos determinado que se requiere una contribución de \$ 100 para cada miembro del Regimiento de Raven. Tenemos tres horarios recomendados para pagar esta cantidad:

1 pago de \$ 100

2 pagos mensuales de \$ 50

4 pagos mensuales de \$ 25

Nos gustaría agradecerle de antemano por contribuir a la participación de su estudiante en nuestro programa Band and Color Guard. También nos gustaría recordarle que VLHS Band y Color Guard Boosters es una organización benéfica sin fines de lucro registrada, por lo que esta contribución de Fair Share es deducible de impuestos. Si su familia tiene dificultades financieras que dificultan el pago de esta cantidad, comuníquese con el Sr. Peters en cpeters@mvusd.net y elaboraremos un calendario de pagos alternativo.

¡Gracias por tu apoyo!

Mr. Cory Peters
